DSS SECURITY

If you plan on obtaining your security and/or broker's fee from the Department of Social Services, please note the following:

*You must obtain a housing packet and fill out the necessary paperwork from the Department of Social Services once you have secured a unit.

*You will need to request from your Housing Specialist, a breakdown of what your portion of the rent will be after you have submitted the "Request For Tenancy Approval" to your Housing Specialist.

*You must take that breakdown to DSS on your scheduled appointment date.

DO NOT MOVE INTO YOUR UNIT UNTIL YOU GET APPROVAL FROM DSS
