2016 RECYCLING SCHEDULE

Loose leaves will *only* be picked up from October 31st through December 2nd. During that period, the Village will collect bagged & unbagged leaves brought to the curb. See schedule for bagged leaf pick up. For loose leaves, please do not place any foreign debris in the leaf piles as the Village employs a high volume leaf vacuum. Sticks, rocks, bottles, pumpkins, etc. can cause damage to the machine as well as injury to the workmen. **Mixed piles will need to be sorted prior to collection by the Village.** Please do not place leaf piles over storm drain inlets. **No appointments can be made for loose leaf collection.** Please note collection is done by following a set route which once complete, is started from the beginning again.
