# 2019 RECYCLING SCHEDULE

Bagged leaves will be collected curbside as per calendar below. Loose leaves will be collected curbside beginning Nov. 18 through Dec. 13. Piles MUST be free of all debris other than leaves. DPW employs a high-volume vacuum and items such as branches, pumpkins, rocks or bottles can cause damage to the machine as well as serious injury to personnel. Leaf piles with debris will be left behind. Please keep storm drains free of leaves and debris. Leaf collection is done by a set route only, no appointments will be made.
