2023 RECYCLING SCHEDULE

Residents should be advised that curbside loose leaf collection will begin no later than November 6th and will continue through and not end before December 15th. Crews will employ a high volume leaf sucker and piles **MUST** be free of all debris such as sticks, twigs, corn stalks, pumpkins and trash of any kind. Contaminated piles will be left behind as they will cause damage to the machine and result in downtime. Crews will begin in a location and work their way through the Village until complete and start again at the beginning. Leaves will NOT be collected by appointment.

Brown Paper Bags

Soiled newspapers, plastic bags, plastic
string or wire, rubber bands
(Do not set out loose newspapers)

RECYCLING TIPS

1. Make sure all recyclable materials are clean, dry and empty.
2. Break down any cardboard boxes.
3. Place newspapers or paper items in brown paper bag or bundle them up with twine.
4. **Do not use your curby can for any non-recyclables. That includes grass and yard or food waste.**
